Figgo is a new pet insurance company based in Chicago. Very tech-focused, Figgo offers a cloud-based tool to manage your pet's documents and pictures.

Money

Monthly Cost	Average premium is \$45 per month.
Coverage	You choose a reimbursement level of 70%, 80%, 90% or 100% after your deductible. The payout amount is based on your actual vet bill.
Payout Limits	Annual limit of \$10,000, \$14,000 or unlimited depending on plan.
Deductible	\$50, \$100, \$250 or \$500 per year.

Limits

Age Limits	Pet must be at least 6 weeks old to enroll. No upper age limit.
Waiting Period	Coverage begins 5 days after policy for accidents, 14 days after for illness, 6 months for cruciates and patellas (knees.) Latter can be waived upon a healthy diagnosis by a vet.
Exclusions	Pre-existing conditions are not covered.

Misc

Notes	Three plans available: essential, preferred and ultimate. Hereditary chronic and congenital conditions, holistic therapy, behavioral therapy, lost pet, pet mortality and hip dysplasia are all covered. Cloud-based platform to manage pet's life is free to insurance customers. Includes inbox, docs, shots & reminders, pet tags, profiles and more features.
